I used the services of Moist Waterproofing & Painting, to waterproof my parapet walls + repair my boundary wall.

I was impressed with Moist WAP:

- prompt response in sending me my quote (with no hidden costs) Anthony is definitely a man of his word;
- his thoroughness in assessing the work to be done;
- the high standard of workmanship at all times;
- the neat & professional nature in which they work on your premises;
- the excellent service he renders & the pride he takes in his work (this is reflected in the work his team delivers).

The Moist WAP team, is service orientated, reliable, trustworthy, professional & quality driven.

I will definitely recommend Moist WAP.

Your Sincerely,
